DEDICATION

A man of scholarship,

yet not flaunting
that scholarship;

A man of noble independence,

yet easily befriended;

A man of many abilities,

yet sufficiently wise
to recognize his limitations;

A man of firm convictions,

yet able to convince
others graciously;

A man of teaching greatness,

yet a humble student;

A dedicated teacher

with precious concern
for his students,

this yearbook is fondly

and respectfully dedicated

to Dr. S. Herbert Bess
